Ike Urges Federal Backing For Health Insurance Programs

By Douglas B. Cornell

Washington (AP) — President Eisenhower asked Congress yesterday to put limited government support behind private health insurance plans so they can protect American families against the "catastrophe" of prolonged major illnesses.

Eisenhower proposed creation of a 25-million-dollar fund to re-insure such plans against "the special additional risks" of expanding benefits for their members.

He didn't indicate how much the insurance plans might have to boost fees for subscribers to give them extra protection against disastrous medical and hospital bills. One expert thinks it might be no more than \$50 a year per family.

Neither did the President say exactly how the re-insurance program would work. Presumably it would operate something like government insurance of bank deposits.

Farm Surplus Aid Planned For 'Friends'

By Ovid A. Martin

Washington (AP) — The Eisenhower administration offered a plan yesterday to use a billion dollars worth of farm surpluses for foreign aid, but the offer did not soften Senate critics of the President's proposal for flexible farm price supports.

Opening the administration's drive to get a new farm program through Congress, Secretary of Agriculture Benson told the Senate Agriculture Committee that Eisenhower had authorized him to say the administration would propose use of surpluses to "strengthen" the economies of friendly countries.

Details of the plan were not disclosed by Benson but it was indicated by others that it involved giving away farm surpluses to non-Communist governments.

Officials who helped draw up the plan said the idea behind it is for the United States to donate mainly wheat and cotton to needy governments in non-Communist countries.

In exchange, these governments would be asked to pledge that they would make efforts to improve the living standards of their people through specific economic projects.

Benson disclosed that latest tabular record 55 billion dollars invested in surpluses under price support programs.

The billion surpluses would be disbursed in foreign aid programs during the next three years. Supplies for the program would be taken from 2½ billion dollars of surpluses which Eisenhower last week proposed be sealed off from commercial markets for such uses as the school lunch program, disaster relief, aid to friendly people and emergency stockpiling.

Yesterday's statement had the effect of further clarifying presidential plans for use of sealed off surpluses. Benson said full details would be laid before Congress later.

The GOP farm chief teed off on the present farm program which features mandatory 90 per cent parity price supports for major crops. Parity is a standard for measuring farm prices, declared by law to be fair to farmers in relation to prices they pay.

Benson said the present program, if continued, would cost so much that taxpayers would rebel in time and possibly end all farm aid programs. Flexible supports between 75 and 90 per cent of parity, he said, would prevent future surpluses by lowering price incentives to production in times of surpluses and by raising them in times of scarcity.

Serum Saves Boy From Hemophilia

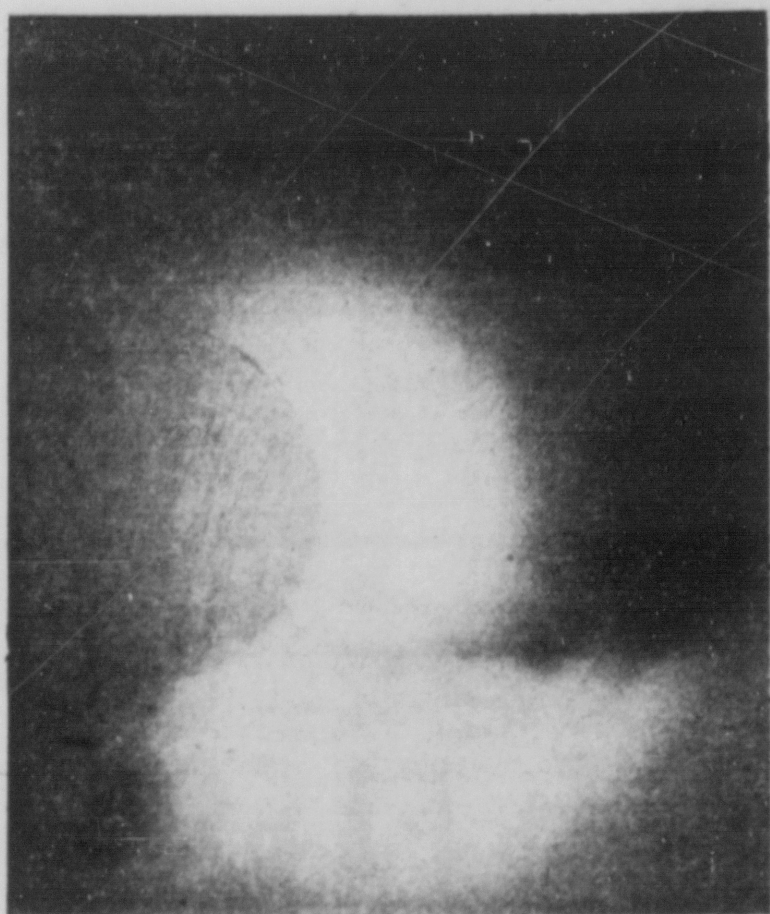

Parma, Italy, (AP) — Ten-year-old Vincenzo Russo yesterday was declared safe from slow-bleeding death, less than 24 hours after he had received an injection of serum from America.

To the little hemophiliac sufferer it seemed like magic. To his doctor, Italo Sala, who declared that Vincenzo now is "completely out of danger," it seemed quite amazing.

"The effects of the anti-hemophiliac globulin have been surprisingly fast, even in such a serious case as Vincenzo's," he said.

Pay Raise Asked

Washington, (AP) — Sen. McCarran (D-Nev.) yesterday introduced legislation to raise the pay of Congress members and most federal judges to \$27,500 a year.

Temperature Drops To -12; Break In Cold Wave Likely Today; Rain Also Expected

Yes, it was cold, but it didn't set any records.

In Stroudsburg the low was 12 below zero during the early morning hours yesterday, said weatherman Pierre Lake.

By 8 a. m. the mercury was up to 9 below. It rose to a high of 24 degrees above zero during the afternoon, then dropped again. At 11 last night, the reading was 14 degrees above zero.

Reds To Press Fight Against German Arms

Berlin, (AP) — The Russians indicated last night they will carry their campaign against West German rearmament into the Big Four foreign ministers conference opening next Monday.

New propaganda posters went up in Soviet-run East Berlin demanding that the foreign ministers "put an end to the re-militarization" of the Bonn federal republic.

Other placards suggested the Russians also would use the historic conference on German unity and an Austrian peace treaty to attack the European Defense Community.

The signs called for a "peaceful and democratic reunification of Germany" by the ministers and "an end to all war plans."

The Russians have assailed the EDC treaty as an aggressive alliance of the West.

Preparations for the conference were stepped up during the day on the heels of an East-West agreement on meeting places.

Dulles Defends U.N.'s Charter

Washington, (AP) — Secretary of State "Dulles said yesterday the United Nations' charter could stand changing, but that throwing it away to start afresh would be opening 'a Pandora's box.'

"The way Dulles put it, to a Senate Foreign Relations subcommittee, it was a delicate problem. He said the U. N. charter is far from perfect, but that it is better than nothing and must not be killed by any cure.

Army To Cancel Contracts Worth Half Billion Dollars

Washington, (AP) — The Army will cancel contracts worth one-half billion dollars by June 30, a high Pentagon official disclosed yesterday.

Harold L. Pearson, deputy under-secretary of the Army, told reporters at a Pentagon briefing that the "nation's biggest buyer has been going out of the buying market" for six months in an effort to achieve both economy and efficiency in supply and money matters.

Pearson said that outstanding Army orders would drop to five billion dollars by June 30 or eight billion less than the total on the books on Jan. 1, 1953.

"Some Army officers are busier today canceling orders than in placing new ones," Pearson said in stressing current Army policy of "living off its pantry shelf on the biggest scale you ever thought of."

Pearson also revealed that the Army is now getting rid of surplus stocks at the rate of 150 million dollars monthly and would keep up this rate of disposal as long as buyers could be found.

He said the Army was receiving for its surplus prices ranging from a few cents to 60 cents on the dol-

New Turnpike Just West Of Monroe County

Accurate routing of the Northeast Extension of the Pennsylvania Turnpike released by the Associated Press indicates the new super highway comes near Monroe County at several points.

Location of traffic interchanges was not included in the report released to the Associated Press yesterday.

The branch off the extension intended to make a connection with the new Delaware Water Gap Bridge, as indicated in the report given Associated Press, starts around Mauch Chunk and apparently cuts slightly northeasterly to Delaware Water Gap.

The release dealing with this connection shows a dotted line from Mauch Chunk to Delaware Water Gap, indicating this a future project which has not yet been fully engineered.

Turnpike Route twists and turns through Carbon County, passing through Hickory Run State Park, after passing near Allentown. Path is considerably west of Lake Harmony and therefore away from Blakeslee Corners, but it hits Route 940 about four miles east of White Haven.

Description of the routing starting at Schnecksville and running north to Route 11 in Monroe — the portion of major interest to the Poconos region — follows:

From a point one mile southeast of Schnecksville, the route goes northerly three miles to a point six-tenths of a mile east of Unionville, then northerly 2.4 miles to a point 7 miles west of Meshart, then northerly 1.3 miles to a point in Lehigh County south of Emerald about 1 mile west of Slatington.

From this point it will continue northerly for about 4.4 miles to a point west of the Lehigh river about 5 miles west of Kittatiny School in Carbon County, then northerly crossing the Lehigh river, west of Parryville about 2.7 miles to a point 1.2 miles east of Weissport.

From there it will run northerly 2.7 miles to a point 7 miles southwest of Walleckville, then northerly 1.3 miles to a point 7 miles northwest of Walleckville, then northerly 1.7 miles to a point 1.2 miles northwest of Pine Run School, then northerly 3 miles to a point in Carbon County 1 mile south of I.R. 1302 near Three O'Clock Springs.

Then it will continue about 1 mile south of Legislative Route 1302 northerly about 5.6 miles to a point 1.8 miles northwest of Allentown, then northerly 4.9 miles to a point on Rt. 940 about 4 miles east of White Haven.

From there it will run westerly about 1.3 miles to a point in Carbon County about 3 miles north of Route 940, then northerly crossing the Lehigh River about 1.5 miles to a point in Luzerne County about 1 mile north of Penn Lake, then northerly about 6 miles to a point near Rt. 115, about 2.3 miles east of Laurel Run, then northerly 3 miles to a point about 2.4 miles northeast of Lewellyn's Corners.

From this point it will go northerly 1.2 miles to a point 2 miles southeast of Laffin, then northerly crossing the southeast corner of Dupont about 7.1 miles to a point on the Luzerne-Lackawanna County Line at Moosic, then northerly 1.4 miles to a point on US Rt. 31 in Moosic.

Reed Offers Bill To Strip Citizens Of Citizenship

Washington, (AP) — Chairman Reed (R-Ill.) of the House Judiciary Committee yesterday introduced a bill to strip the citizenship of anyone guilty of treason or of conspiracy to overthrow the government.

Reed said the bill was drafted by the Justice Department and carries out President Eisenhower's request for anti-Communist legislation.

Italian Premier Names Cabinet

Rome (AP) — Italy patched together a new Christian Democrat government yesterday, but it had little hope of enough strength to cope with the nation's long-range problems.

Amintore Fanfani, a "New Dealer" within his pro-American, middle-road party, announced a Cabinet which left out former premier Alcide de Gasperi and Giuseppe Pella. It is Italy's third government in six months.

Work To Start In March On 100-Mile Toll Road

Harrisburg (AP) — A 100-mile section of the route of the proposed northeastern extension of the Pennsylvania Turnpike was approved by Gov. John S. Fine yesterday.

The exact path of the dual highway to connect the Philadelphia and Scranton area was disclosed jointly by Fine and T. J. Evans, Turnpike Commission chairman, after a meeting at which the last wrinkles were straightened out.

The long-awaited disclosure pinpointed the route between Moosic, Lackawanna County, just south of Scranton, and Plymouth Meeting, east of Norristown.

At Plymouth Meeting, it will connect with the 33-mile Delaware River extension of the present turnpike.

The Moosic termination was described as "temporary" since the 1951 law authorizing the northeastern extension permits construction as far north as the New York-Pennsylvania state line in the Binghamton area.

The cost of the extension was estimated unofficially as 200 million dollars. This is based on current cost of the Delaware River extension at two million dollars a mile.

The commission made no estimate of the completion date for the new extension. The Delaware river extension of 33 miles was started last year and is expected to be finished Oct. 1. Speculation put the northeastern completion date sometime in 1956.

A turnpike spokesman said that as soon as the northeastern link is completed and service station-restaurant areas in operation it will be opened for traffic. Yesterday's announcement contained no mention of interchanges for the new road. They will be detailed later.

Fine, after the meeting with Evans and Highways Secretary E. L. Schmidt said groundbreaking ceremonies for the new section will be held late next month. Initial construction will start in March, he said.

Announcement of the route had been delayed for several months due to engineering difficulties at a couple of points possessing rugged terrain.

The worst of these, a commission spokesman said, was in the Weissport-Parryville area in lower Carbon County.

Financing of the new extension is virtually completed, the spokesman said, and bids will be asked for almost immediately.

Running in a north-northwesterly direction from just above Philadelphia, the new route will parallel generally U. S. 309 with about five to six miles between, up to the Allentown area.

It will run closer to 309 above that Lehigh County city, passing just west of Schnecksville and Slatington, and crossing 309 just east of Lehigh.

It will pass a few miles east of Mauch Chunk and White Haven while running through Hickory Run State Park.

Just below Wilkes-Barre the superhighway will take a blunted right turn, parallel State Route 315 and join U. S. 11 at Moosic.

The northeastern extension is one of the pet projects of Gov. Fine. His aim was to link the metropolitan Philadelphia area with the Anthracite and Pocono Mountain regions.

It is believed the highway can greatly stimulate the industrial potential to the hard coal region as well as facilitate movement of traffic to mountain resorts.

Malenkov 'Busy'

Moscow, (AP) — Soviet Premier Georgi M. Malenkov sent word yesterday to seven visiting American college editors that because he was "very busy" he regretted he was unable to receive them for an interview.

Mitchell Endorsed

Washington, (AP) — James P. Mitchell was endorsed unanimously as secretary of labor yesterday by the Senate Labor Committee. The Senate itself is expected to confirm him in short order.

New Jersey To Inaugurate Meyner Today

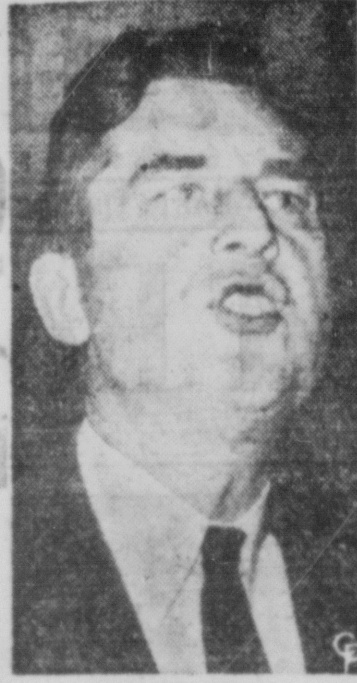

Trenton, N. J., (AP)—Handsome, 55-year-old Robert B. Meyner, of Phillipsburg, will be inaugurated governor of New Jersey today on a cloudy, cold day that could bring rain or snow and force dignitaries to ride buses to the ceremony.

It will be the first time in 13 years that a Democrat has taken the oath of office as the state's chief executive. Meyner is to succeed Republican Gov. Alfred E. Driscoll.

The only two living Democratic ex-governors, James F. Fielder (1914-17) and Charles Edison (1911-13), will miss the inauguration because of illness.

Chief Justice Arthur T. Vanderbilt, who was scheduled to administer the oath of office at noon in the Trenton War Memorial building, also may miss the ceremony because of a cold. If he does, it is likely Associate Justice Harry Heher would administer the oath.

Two Alarms Call Firemen At Water Gap

Delaware Water Gap—Firemen were summoned by two alarms within four and a half hours here yesterday, but neither fire caused serious damage.

First occurred at 8 a.m. when a chimney at the home of Mr. and Mrs. George Lee became overheated. Firemen were delayed in reaching the home when the alarm system failed momentarily due to frigid weather conditions.

Chemicals were used to quench the minor blaze and firemen left the scene shortly after 9 a.m.

The second alarm was sounded at 12:30 p.m., sending firemen to the former Edward Dreux farm on Cherry Valley Road just outside the borough limits.

The property is now owned by Traders Flour and Feed Co., 285 Washington St., East Stroudsburg. It was reported, fire was confined to an empty chicken house.

Paul Compton, operator of the farm, was reported to have told firemen a stove under the concrete building floor became overheated and hay scattered on the floor smoldered.

Smoke prompted the call to firemen and damage was limited to the destruction of three bales of hay.

Only last week, it was reported, the shelter housed 1,800 chickens and was being prepared to receive a new batch.

Simpson Sees GOP Gains

Washington (AP)—Rep. Richard M. Simpson (R-Pa.) predicted yesterday that as a result of the recent GOP harmony move in Pennsylvania the Republicans will pick up five Congressional seats in the Keystone State this year.

Simpson, dean of the Pennsylvania Republican delegation in Congress and chairman of the Republican Congressional campaign committee, told a reporter he was exceedingly pleased by the agreement reached in Philadelphia over the weekend.

At that conference party leaders reached an agreement they believe will avoid a primary battle this Spring. The GOP leaders said they would back Lt. Gov. Lloyd H. Wood as the Republican candidate for governor, and Atty. General Frank T. Truett for lieutenant governor.

Swenson Elected Secretary Of C. Of C., Vacation Bureau

Executive Post Filled By Two Organizations

Harold A. Swenson was named as the new executive secretary of Pocono Mountains Chamber of Commerce and the Vacation Bureau last night.

Swenson, now living at Pocono Manor, was approved during a preliminary executive committee session of the chamber.

LeRoy Mikels, chamber president, announced at the regular directors' meeting which followed that Swenson had been approved, and recommended his appointment to the directors.

A unanimous motion put Swenson in office. He succeeds Jacob Wachtman, who resigned several months ago.

A total of 14 men applied for the job after Wachtman resigned. Three were described as "excellent prospects" by a chamber spokesman, J. L. Cohen.

Swenson is 27 and a veteran of two years in the Navy. He is a graduate of Syracuse University where he majored in business administration and accounting. He attended high school in Brooklyn, N.Y.

His activities and memberships include Mount Pocono Rotary, Mount Pocono Methodist Church, Syracuse University Alumni Association, Pennsylvania Weekly Newspaper Publishers Association.

He was for six months editor and publisher of a newspaper at Mount Pocono, then became promotion director for the Vacation Bureau of the 1952 Laurel Blossom festival.

Next Swenson was made public relations head at Pocono Manor, and in July 1953 became assistant to the manager at Pocono Manor.

Cohen said the secretary's duties presumably would start at once.

At the chamber session Mikels called for a "better-defined relationship between organizations" such as the motor club, merchants association, manufacturers association, auto dealers, East Stroudsburg's business men's association, and the chamber. He stressed the advantage of avoiding duplication of effort.

The chamber, for example, has a highways committee, said Mikels. It would be sound practice to rely on the specialized studies of the Pocono Mountains Motor Club in dealing with highway problems, he indicated, rather than have the chamber committee and the motor club both working on the same question—a duplication of effort.

Directors authorized Mikels to appoint a committee to draft his proposal and make specific recommendations. Those chosen will represent both the organizations active in the area and the geographical areas.

Two speakers—Guy C. Beishline, special industrial representative of the State Department of Commerce, and Roland H. Dunn, assistant director of the bureau of industrial development, of the department—described the method developed by the department which enables communities to present a clear, comprehensive and skillful picture of local resources.

The aim is to attract those industries which would make the best use of resources of materials and manpower and skills already available.

The chamber is already at work on a brochure summarizing this type of information. Such a survey as the State suggests, the speakers told directors, is often useful to industry which is already in the area. It brings to light those people with specialized skills who may be sought by local factories and businesses.

JPs Lift Commissions

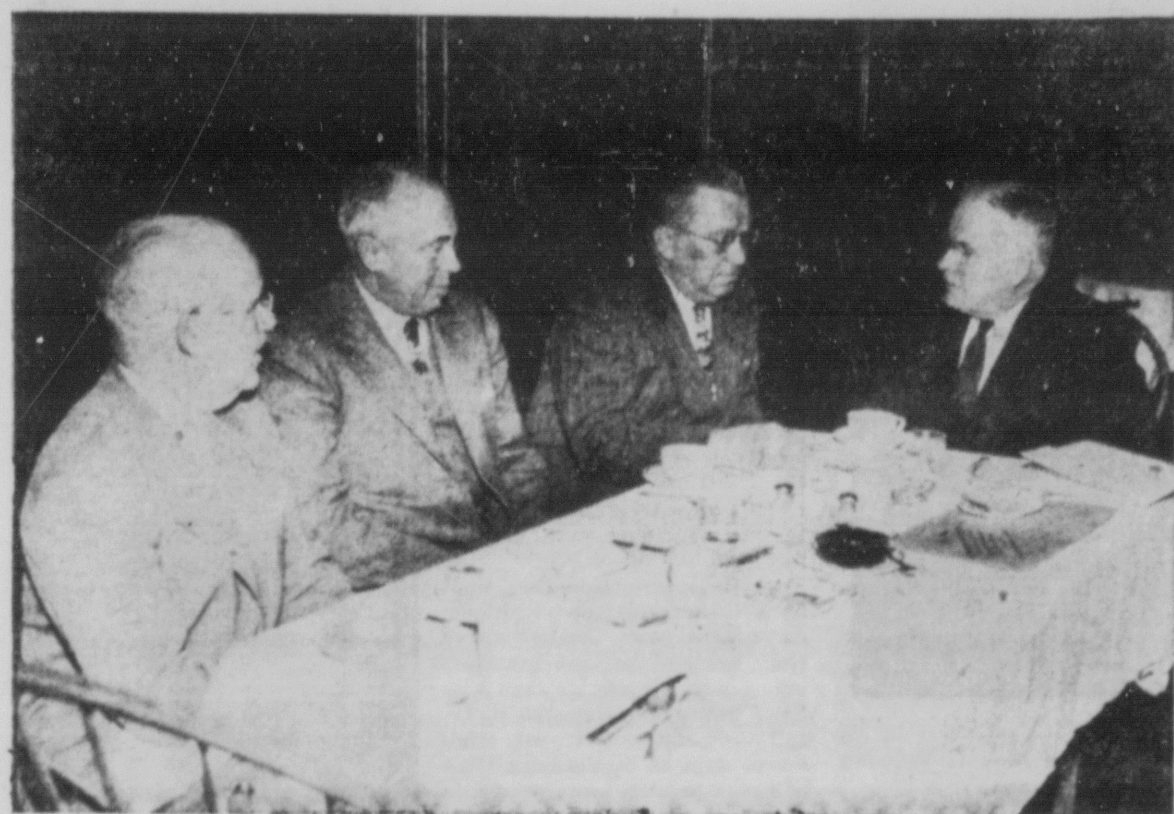

Recorder Floyd Butz said yesterday that all but one commission for justices of the peace in Monroe County have been picked up. The one remaining, he said, he understood belonged to Vance C. Megargle Jr., now in Florida. Butz said that commissions not picked up by the Jan. 15 deadline are voided.

Two Wills Filed For Probate

An estate totaling an estimated \$7,000 was left by Mrs. Alice A. Mill, 67, Brodheadsville, according to wills probated yesterday at the office of Register Floyd Butz.

Mrs. Mill died Dec. 27, according to petition for probate.

She left an estimated \$3,500 and up in personal estate and the rest in real estate, the petition said.

Life rights to the residence went to her son, Franklin W. Mill; other portions of the estate went to her son and three daughters, Emma K. Hanna, Manchester, Conn.; Marie E. Kline, Harrisburg, and Blanche E. Phillips, Easton.

Harry W. Krummell, 80, Canadensis, who died Jan. 1, left his heirs an estimated \$4,500 in personal estate and \$5,000 in Barrett Township real estate. The estate went to his wife, Lillie, for life, the will said, and then to Edith M. Butler.

Small personal estate was left to his wife, Barbara, by William G. Dower, 60, Stroudsburg RD3, who died Jan. 8.

Record Steel Wage

New York, (AP)—The average wage paid in the iron and steel industry in November was \$2.323 an hour, the highest in history except for the peak of \$2.328 in September, the American Iron and Steel Institute reported yesterday.

Red Cross Offers To Assist Family Whose Possessions Were Lost When Home Burned

You pack up your wife and daughter and your little black dog one week-day morning and take them with you on a business trip. When you return two hours later all that is left of your home and its contents is ashes and black smoke.

Gone are all your clothes except the ones you have on, gone the household goods you've been paying for over a long period of time, gone your wife's engagement ring, even the special arch supports which has made it possible for her to go out as a practical nurse to help out with the finances.

What do you do? Well, one young Monroe County husband took a deep breath and started all over again. He was working from 1 p.m. to 11 p.m., and he took on a second job that would last from 8 a.m. to 1. He and his family moved in with her parents, and started looking for another home they could rent.

They didn't ask for help, but a neighbor knowing what an uphill fight they faced in starting over from scratch, called the Red Cross. Russell Harmon, chairman of the disaster committee, and Mrs. Ida Kunkle, executive secretary, immediately went into action.

"We found people willing and anxious to help themselves," Mr. Harmon reported. "They aren't asking for help, but a little boost right now can certainly help

Boy Breaks Leg When Sled Coasts Into Moving Auto

Bangor—Paul Matlock Jr., 12, suffered a compound right leg fracture Sunday afternoon when his sled went past a barricaded play area and hit a moving car.

Officer Pasquale Vicario said the accident occurred at 1:35 p. m., as the boy was sledding down N. Fifth St. The sled shot past the barricade at Fifth and Pennsylvania Ave. intersection, continued down Pennsylvania Ave. and hit the rear of an east-bound car.

Police said the car was driven by George Delessandro Jr., 18, of N. Eighth St. here. The boy was taken to the nearby office of Dr. Joseph Farace and given first aid.

The boy was then moved by ambulance to Easton Hospital. He was released after the leg was placed in a full-length cast.

He is the son of Mr. and Mrs. Paul Matlock, 122 N. Fifth St.

Another boy had been on the sled when the downhill ride started. He was Frank Falcone, 9, son of Mr. and Mrs. Daniel Falcone, 508 Pennsylvania Ave., according to Mr. and Mrs. Matlock. The Falcone boy jumped clear before the sled reached the barricade, Mr. and Mrs. Matlock said.

Mrs. Shaffer Dies At Home In Borough

Mrs. Mary F. Shaffer, 75, of 79 Second St., Stroudsburg, died there at noon yesterday.

She had been ill since Saturday. Born at Pocono Lake, she was the daughter of John and Lavina Heller Motz. She came to Stroudsburg 51 years ago after residing in Pocono Lake and Tannersville. She was a member of Tannersville Lutheran Church.

Surviving are her husband John W.; three sons, Llewellyn, of Stroudsburg; Eugene L., of East Stroudsburg; and Vincent W., of Stroudsburg; two daughters, Mrs. Margaret Helms, East Stroudsburg, and Mrs. Mildred Barry, Stroudsburg; a sister, Mrs. Margaret Miller, Philadelphia; a brother, Wilmer Motz, Reiders; 11 grandchildren and seven great-grandchildren.

Polio March To Take Place Next Tuesday

Monroe County mothers are going to knock on virtually every door in the county a week from tonight.

It will be the third Mothers March on Polio for Monroe people.

The March will have its counterpart in every teeming city, thronging suburb, crowded town, quiet village and lonely rural back road in the entire nation on the same night.

The march will be one of the most vital means of raising the \$75 million needed to take care of polio-stricken American people, inoculate children in mass tests which may lead to complete immunity, and still have enough left over to pay for the research which is already winding up for the knockout punch against polio.

This year the march will be dedicated to Miss Helen Kulp.

Miss Kulp, who died at 56 last June, was president of the Monroe Infantile Paralysis Foundation chapter. She led the first Mothers March in 1952 when the campaign was still under auspices of the Rotary Club.

It was almost shockingly successful.

The next year, Miss Marie Brown was chairman of the march. As Helen Kulp sat by, chewing fingernails tensely, the second march outdid even the first—to her delight.

Miss Kulp was also a past president of Business and Professional Woman's Club.

This year BPW will provide the backbone for the mothers march.

Miss Brown last night named 16 captains who will direct the march in their areas. A 17th captain has been named for Pocono Township but could not be reached last night.

Those listed by Miss Brown, and the areas they will serve, are: Stroudsburg; Mrs. Jacob Kintz; East Stroudsburg, Rev. Harold Eaton; Delaware Water Gap, Miss Nellie Burd; Mount Pocono and Coolbaugh Township, Miss Ellen Regan.

West End—McMichaels, Effort, Gilbert, Sciota, Brodheadsville, Saylorsburg, Stroudsville, Ross Township, Hamilton Township, Mrs. Harry Weiss.
Pocono Summit, Mrs. Layton Kinsley and Mrs. Leon Shiner.
Middle Smithfield Township, Joseph Kulic; Smithfield Township, Mrs. Ross Park; Ansonia, Mrs. Addie Weidman; Stroud Township, Mrs. Loring Cramer; Pocono Lake and Pocono Pines, Mrs. Robert Keiper.

Barrett Township, Mrs. Harold Kreeb; Eldred Township, Mrs. Adan Bohner; Jackson Township, Mrs. J. A. Wallingford; Pocono Township, Francis Mooney.

Many of the march captains served in previous efforts and told Miss Brown they're eager to smash their own records.

The same is true of the hundreds of workers who volunteered their help, the chairman said.

It looked last night as though Monroe's mothers would have to carry the ball if any sort of touchdown was to be made.

Campaign Chairman Richard R. Freudenberg said a total of \$2,562.75 has been received to date by all activities of the campaign.

This includes returns from 1,179 coin envelopes amounting to \$2,228.25; special events—a children's circus staged by the kids themselves—\$13; clubs and organizations \$90.72, far behind last year's; schools \$55.78; and business gifts, \$175.

This amounts to a meager 16 per cent of the \$16,000 goal.

Pratt's village smithy, established in 1678 at Essex, Conn., is heliexed by local residents to be the oldest U. S. business to be operated continuously by one family.

Wayne County Treasurer Resigns; Officials Drop Five Charges Against Her

Honesdale, (AP)—Wayne County Treasurer Ruth E. Spangenberg resigned yesterday just before the start of her trial on five counts of embezzlement and misapplication of county funds amounting to \$6890.

The 45-year-old county official made her resignation effective March 15, 1954, in return for which state and county officials dropped the charges against her.

Firemen Set Feb. 19 For Annual Dance

Annual benefit dance sponsored by the Stroudsburg Fire Department will be held in the Penn-Stroud Hotel Feb. 19.

Bernie Parsons and his orchestra will play for dancing from 9 p.m. to 1 a.m. There will be a spotlight review.

Usual method for distributing tickets to the public will be utilized.

Department committee handling various phases of the affair include:

Arch Rundle, chairman; Stanley H. Heller, treasurer; William Schroeder, Richard Barry, Victor Koch, Olen Hagerty, Robert Phillips, Harvey Burris, Nelson Lightner and Roger Lindsey.

About 3,712 million acres of the earth's 36,480 million acres are used for crops or pasture.

More than half of Connecticut's families have a yearly income of \$4,000 or more, a U. S. Census Bureau survey indicates.

Five Fined; Loaded Rifle Found In Car

Five regional residents have been fined \$25 and costs on charges of possession of a loaded rifle in a motor vehicle in motion on a highway, Carl C. Stainbrook, Northeastern Regional Supervisor for the Game Commission announced yesterday.

Mr. Stainbrook listed the accused as James Smith, Wesley Shafer and Francis Beck, all of Gilbert; Charles L. Moretz, Northampton, and William Moretz, Bethlehem.

State police from the Hazelton State Police barracks arrested the men about midnight Jan. 8, Stainbrook said. Their car was stopped in the Effort Mountain section, authorities reported.

Prosecutor in the cases was Game Protector John J. Doebbling, who serves the Monroe County region.

The National Geographic Society estimates that parchment diplomas awarded at commencements in the United States cost more than a million dollars annually.

Mrs. Howard W. Faschan

Corinne Uhl Is Married In Netcong

Miss Corinne Uhl, of 21 Trinity St., Newton, N. J., daughter of Mr. and Mrs. Christian Uhl, of Canadensis, became the bride of Howard W. Faschan, son of Mr. and Mrs. Adam Faschan of Bell St., Stanhope, N. J., on January 10 at 3:30 p.m. in St. Michael's Church, Netcong, N. J.

The bride who was given in marriage by her brother-in-law, Joseph Healy, wore a waltz-length gown with a strapless bodice of Chantilly lace, and a full skirt of lace and pleated nylon tulle over satin. The matching bolero jacket was also of lace. Her silk illusion fingertip veil fell from a crown of lilies of the valley. She carried a cascade bouquet of white carnations and stephanotis.

Miss Joanne Faschan of Stanhope, N. J., was maid of honor. She wore a gown of shrimp nylon tulle over taffeta with a matching stole and carried a bouquet of roses and gerbera.

Lawrence Faschan of Netcong, N. J., was best man.

After a wedding trip to Florida, Mr. and Mrs. Faschan will make their home on Bell St., in Stanhope.

Just Between Us

—By Bobby Westbrook

When the Gradale Sorority members do something, they do it up right, and never think that women can't keep a secret. Mary Henning was the most surprised girl you ever did see when she suddenly found herself in the middle of "This Is Your Life."

She probably lost a few years right there and then, but somehow as her life unfolded you felt as if she might spare a few, since most of her life she's been living double. The audience loved it and it couldn't have happened to a nicer person.

Only two people who weren't there were Mary's mother and her young son who were keeping each other company so Mary could go to the meeting.

Anyway it was a program to warm the cozzles of your heart—and a good time to have it, too, since most people were just beginning to thaw out from the deep-freeze that held sway yesterday. I'm not sure just what the cozzles of a heart are, but whatever they are, mine were frozen, I know.

However, I've a sure-fire method of warming up—just get the car stuck in a snow drift fifteen minutes before an important appointment. After you've huffed and puffed and waded in drifts and pushed and tugged and fallen down a few times, you begin to tingle, and the combination of exasperation and exercise does wonders for thawing you out.

That is until the snow begins to melt in your boots.

Listen to Bobby Westbrook daily. Monday through Friday, on "The Party Line" WVPO, 10:15 a.m.

Woman Fire Chief Named By Mt. Pocono Aux.

Mount Pocono — The newly-elected president of the Auxiliary of the Mount Pocono Fire company, Mrs. Gerald Possinger, presided at the meeting held on Tuesday night. Due to the inclement weather only 17 members responded to roll call.

The following committees were appointed: audit, Mrs. John Regan, Mrs. William Hines and Miss Elizabeth Schrufer; news, Mrs. Louis Ingersoll; get-well cards, Mrs. Patrick Horgan; flowers, Mrs. Earl Brock and Mrs. Possinger.

Hostess committee for February, Mrs. Charles Brock, Miss Cora Bishong, Mrs. Martin Brennan, Mrs. David Bishong and Mrs. Angelo Battista. Cancer dressings, Mrs. Ray Simmons.

A new office was created by appointing Mrs. Wardell Megargle Woman Fire Chief of the auxiliary, her duty being to secure members to make sandwiches and coffee in case of a serious fire.

At the close of the meeting refreshments were served by the hostess committee, Mrs. Possinger, Mrs. Brock, Mrs. Megargle and Mrs. Horgan.

College Panel Presents New Curriculum

"The Core Curriculum" in theory and action formed the theme of the Stroudsburg Parent-Teachers Association meeting last night when Dr. John Wildrick of the college faculty presented four of the college students in a panel discussion of the subject.

Miss Marilyn Dautrich served as moderator with Betty Hamilton, William Tregaskis and James Steidle presenting the different types of core curriculum and how they could be used in conjunction with the regular curriculum.

The core curriculum, using either correlation of subject matter or the development of a central theme through the subjects on which it touches, is usually used as part of a regular school day in basic subjects.

A film strip demonstrated the plan in operation. During the business meeting Richard Frodenberg showed a film on Polo, dealing with the current campaign. Announcement was made of the cake walk this coming Friday night for the benefit of school band uniforms, and of plans for the Heart campaign.

Two Four-Year Scholarships To Reward Winners Of GOP Council's Essay Contest

Two four-year scholarships, instead of one, will this year be awarded the winners in the essay contest sponsored by the Monroe Council of Republican Women, it was announced yesterday by Mrs. Russell Custard, founder of the teen-age contest at a meeting of the committee in charge of this year's contest.

Governor John S. Fine has offered a four-year scholarship to Pennsylvania State University, and State Senator Montgomery F. Crove a four-year scholarship to the University of Pennsylvania to the two winning essays submitted by high school seniors.

Cash prizes will be awarded, also, in the contest, and those prizes are open to all teen-agers in the county from 13 to 19 inclusive.

Title of this year's essay is to be "Republican Accomplishments of This Administration's First Year." The essays, of not more than 400 words, should be sent to Mrs. J. Russell Custard, Box 188, RD 1, East Stroudsburg, on or before March 15.

In addition to making the teen-agers eligible for the prizes, the essays will also qualify them to take part in the experiment in practical politics when they campaign for the title of Mr. and Mrs. Republican of 1954, an honor which carries with it a coronation and trip to Harrisburg to visit the Governor.

Date for the election was set for April 24.

Further information on the essay contest will be sent to each of the county's high schools. Two five dollar prizes, one for a boy and one for a girl, will be presented to the winners in each school which submits five or more essays. Those essays will also be entered in competition for \$25, \$20, \$15 and \$10 cash prizes, and, in the case of high school seniors for the scholarships.

DAR Activities Are Praised By State Officer

The Jacob Stroud Chapter of the Daughters of the American Revolution yesterday received high praise from Mrs. William M. Rice, of Philadelphia, eastern director of the state DAR, for the manner in which their committees were functioning.

Mrs. Rice was a guest at the committee workshop meeting of the local chapter. Each committee met during the luncheon, served by the ways and means committee of which Mrs. G. Raymond Hood is chairman, at small tables.

Mrs. T. Manning Curtis, regent, called the group together for a united meeting after the luncheon, during which each committee chairman reported. Mrs. Rice commented and answered any question which arose concerning the work of that committee.

It was after the committee reports had been given that Mrs. Rice complimented the group as one of the outstanding chapters in the state. The local society, she explained, is already on the silver honor roll, only two more points to achieve gold honor roll standing.

Mrs. Ashton Burrows, chairman of American Indian Affairs, reported that the chapter had sent \$15 for the American Indian and hoped to provide a \$50 scholarship this year. Mrs. Edwin Hughes, chairman of Americanism, reported on the DAR handbooks which had been presented to new citizens, and Mrs. Rice praised the history medals awarded here.

Mrs. Paul Felleicher, chairman of genealogical records, reported the copies of four church records had been sent in, and Mrs. Horace G. Walters, chairman of membership, reported that four membership papers were now being processed. Mrs. I. W. Foltz reported on national and civil defense; Mrs. Frank S. Weiss on program, and Mrs. A. A. Holbrook on the yearbook.

Mrs. Rice discussed in detail the etiquette of saluting the flag, and announced that the Pennsylvania Project for the next three years was the foyer at the National Building in Washington.

There was a large attendance at the luncheon.

Brownie Troop Elects Officers

The Brownies of Troop 25, at a meeting recently at the Stroudsburg Presbyterian church, elected officers.

The Hummingbirds elected Trina Marsh as president; Sharon Phillips, secretary; and Denise Felker, treasurer.

The Wrens elected Susan Schoonover, president; Gretchen Weiss, secretary, and Sandra Bell, treasurer.

The Brownies have had a busy Fall season. They placed seals on envelopes for the TB society, delivered posters and had their fly-up and investiture.

New Brownies who received pins were: Rosemarie Monatt, Susan Schoonover, Gretchen Weiss, Denise Felker, Mildred Phillips and Agnes Stackey.

Mrs. S. M. Monatt and Mrs. Russell Harmon are leaders of the troop.

FHA Skating Party

The Stroudsburg chapter of the Future Homemakers of America will sponsor a skating party on January 21 at 8 p.m., at the Carleton Roller Skating Rink. Everyone is invited.

This Is Your Life Thrills Mrs. Henning

The surprise of her life awaited Mary Monaghan Henning last night at the meeting of the Gradale Sorority of the YMCA, which honored her with a "This Is Your Life" program at the Stroudsburg Presbyterian Church.

As a member of the hostess committee she sat near the front as the meeting neared the program. Jean Parry, as master of ceremonies, announced that one of Gradale's own members was to be honored in the fashion of the television show, "This Is Your Life," but it wasn't until she was handed the Book of Your Life that Mrs. Henning tumbled to the fact that she was it.

In television-fashion, they went back to her childhood with pictures as a baby, while voices from her past recalled grammar school days at St. Matthew's as Betty Rhineland appeared to recall their fatal duet; of high school days at Stroudsburg High School when she was active in dramatics, athletics, scholarship and service. The four-fold tribute was brought by a former teacher, Miss Anna Stem, who also honored her as a fellow teacher at SHS.

Her college days at East Stroudsburg State Teachers were reviewed as well as her summer activities at the playground pool where Samuel Everett paid tribute to her work there and with the sultans this past year.

Her husband, Arthur, her daughter, Peggy, her brother and his family, and her mother-in-law, Mrs. Victor Henning, and other friends from her present, made up the presentation which stressed her ever-present friendliness, energy and willingness to be of service to others.

Motion pictures were taken of the whole proceedings, and a recording was made of the highlights of a big day in the life of Mary Henning.

During the business meeting, final plans were made for the big variety sale which the Gradale is holding at Wyckoff's beginning at 1 p.m. on January 29, with Jean Parry and Shirley Detrick in charge. A meeting of the tribunal on January 25 was announced at the home of Jean Parry.

The sorority voted to pay its \$50 pledge to World Service, and accepted an invitation to present a model induction and installation ceremony at the district meeting to be held in Bangor on April 25.

During the coming month, the members will send a box of clothing to a German girl; save their bacon drippings for the SPCA, and save old pencils to be sent to Salon Rick for the "Save the Children Campaign" at 1721 Park Ave.

A letter was read from Mrs. Estelle Fleming thanking the sorority for its share in the TB Seal campaign.

The next meeting will begin promptly at 8 when the Bell Telephone Company will present "Your Voice and You."

Jean Parry, Dorothy Boushell, Betty Fegley and Shirley Detrick were in charge of the program.

Janet Bonser Is Bride Of Pfc. Van Horn

Brodheadsville — Miss Janet F. Bonser, daughter of Mr. and Mrs. Mitchell Bonser of R. D. 1, Saylorsburg, became the bride of Pfc. Edward Merle Van Horn, son of Mr. and Mrs. Floyd Van Horn, also of R. D. 1, Saylorsburg, on Sunday, January 3 at 2:30 p.m. in the Zion Lutheran Church, Brodheadsville. Rev. John B. Bergstresser performed the ceremony.

The bride wore a strapless gown of Chantilly lace with a floor-length skirt of net, and a matching lace jacket. Her shoulder-length veil was attached to a tiara of pearls and sequins, and she carried a Bible on which were white roses.

Miss Beatrice Van Horn, sister of the bridegroom, was the maid-of-honor. She wore a waltz-length gown of white net trimmed in aqua with a white net stole. She wore an aqua hat and carried a colonial bouquet of yellow roses.

Homer Hennings, of Reodera was the best man.

A wedding reception was held at the Brodheadsville firehall. All decorations for the reception had been made by Miss Glendora Brong.

Coasting Party Marks Tommy's Tenth Birthday

The truckload of singing boys who went through town on Saturday were friends of young Thomas Talasz, helping him celebrate his tenth birthday. His father Frank Talasz, drove the truck to Glen Brook Country Club where they held a coasting party, and then brought them back to his home, 79 Ridgeway St., East Stroudsburg, for cake, ice cream and a general drying out.

Those who attended the party were: Billy Brinker, Gary Kester, Ricky Altomose, Jerry Lee, John Austin, Bill Viechnicki, Joseph Battaglino, Joseph Zateeny, Tommy's sister, Sandra, and Alma Siproth.

There is probably no word in the language so badly mutilated by television and radio announcers, fashion commentators, and customers in general as "lingerie." We were discussing this yesterday in our own whatever-you-choose-to-call-it-department, where Cora Albertson was displaying the Carter and Schrank nighties of Featherwarm spun nylon which have now been marked down from \$12.95 to \$10.95 for clearance.

Most of us here at Wyckoff's call it "lon-sheer-ay" except when we decide to be elegant. Then we may go along with some of the announcers who wander far afield with great delicacy of manner and an astounding breadth of imagination. The result of such excursions down the primrose path of pronunciation can be quite incredible, ending with "lan-gar-ee," "lan-ger-ay," "lan-sheer-ee," "lan-sheer-ay" or even heaven help us, "Linger-ee."

Actually there are only two acceptable pronunciations according to the dictionary on my desk, but far be it from me to mention what they are. In the first place, who am I to spoil anybody's fun? Right now figuring out a new way of saying an old word seems to be the gayest parlor sport this side of Scrabble . . . and certainly it's harmless enough, even when we all apparently come off with a boo-boo prize.

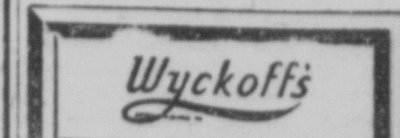

In any case, when it comes to our Wyckoff L-I-N-G-E-R-I-E department, it doesn't matter how you pronounce it. Our robes are so lovely, our lounging sets are so cuddly and cute, our prices (even before clearance) are always so right, there doesn't have to be any word at all to tell the story. And as for those reduced nighties I was discussing—well, whether you call them "lon-sheer-ay" or "long-er-ee," they're still the prettiest, daintiest, coziest buys you'll ever find at the price. We brag about them because their colors—fresh white, rosy pink, heavenly blue—are as young as sweet sixteen, and because the embroidered nylon trim is as precious as a bisque figurine.

Call these "long-sheer-ee" if you will—in honor of the languid hours you'll wear them; or call them "linger-ee" in anticipation of the pleasant moments after waking or before dozing when you'll glory in their luxurious feel and soft, cozy comfort. Whether you choose Schrank's "Mother Hubbard" or Carter's fitted style, you'll lullabye in a good buy.

As for that word "lingerie," I quite agree with Mamie Hoare who says, "Why worry about it anyway? When you're stuck, call a spade a spade and garments like these 'underwear'."

RUSSAGE TODAY
Here's some good news for all "rummagers" who have enjoyed our Wyckoff rummage sales from way back. This year's sale opens this morning on our second floor, and there are bargains of all kinds from almost every department. It had been planned to open the sale Wednesday, but everyone worked away so diligently were ready earlier . . . so hurry now, and be here when the door opens. Being in on it from the beginning is half the fun—right?

Here's a scoop right from our amplifying system as announced a moment ago by Edna Harmon, outgoing president of our Wyckoff Employees' Association: — newly elected officers of the organization are: Margaret LaBar, (drapery department) president; William Fisher, (office) vice president; Mable Anderson, (advertising) secretary; and Margaret Hunter, (payroll) treasurer. A nice crowd for a nice job, congratulations!

Thanks A Million

One year ago we opened our East Stroudsburg Branch as a move to better serve the many customers in the Pocono Area with fresh and delicious Lehigh Valley Dairy Products. We want you to know that you played a big part in the success of this operation, for in just one year we've practically doubled our sales in this area. So we say to you "Thanks A Million" for your valued patronage! The Lehigh Valley Dairy is owned by farmers in Monroe County and six other counties in Eastern Pennsylvania. To consumers in the Allentown-Bethlehem-Easton-Stroudsburg area, it delivers daily more than 100,000 quarts of milk.

Because the Lehigh Valley Dairy is owned by farmers, the owners

regard the people who buy their milk as their primary responsibility. In 20 years of operations, these farmer-owners have continually sought to keep wholesome milk within the budget limits of every family in the area they serve, and at the same time to make constant improvements in the quality of their milk and milk products. Our customers have come to accept the signature, "Lehigh Valley," as a standard in richness and goodness. In the clock-around flow of Lehigh Valley Milk from producer to consumer, there's a clock-around vigil for the highest standards in quality control. That's because the Lehigh Valley Dairy regards public approval as a public trust.

Women bowlers have been creating their share of noise in area circles this season thus far and today will come in for their share of mention in this allotted space. As a starter it might be good to point out that Esther Emanuel has rolled both the high and second high match in the American Legion Auxiliary League, which appears on the George N. Kemp American Legion Post alleys. Mrs. Emanuel has top matches of 521, on November 6, and 620, on September 11. She also holds a high single game of 201 and another of 181.

Flossie Hoffman, in the same loop, rolled a 490 match on December 4, with a high game of 181. R. Smith, also of the Auxiliary, blasted the pins around at the Legion for a 503 count on November 20, with a 194 high single. Eleanor Michaels, rolling with Jerry's Keglers, has high match in the Twin-Boro Ladies' League with a 554 rolled on November 6, with a high game of 225. Marie Bonser, one of the mainstays for the Bartonville Hotel entry in the same loop, is tied with Mrs. Michaels for second high match of 515.

Marie rolled her prize match on November 27 and Eleanor turned the same trick on December 4. Jean Treible, of Ray Price Motors, is third in the high match department in the Twin-Boro Ladies with a 505 score, hit on November 20. Marion Dennis and Jean Treible have high single games in the same league with 193, rolled on November 13 and 20 respectively. Next in the singles department is Ruth Bonser with a 190 showing on October 2.

A glance at Stroud Ladies' League averages reveals that Cora Martin, of George's Shoes leads that circuit in the match figures with a 530 performance on October 22, with a high game of 184. Cora is also next in the match line with a 505 count on December 17. Fran Heckman, of Mink's Floor Covering, has the third high match at 502, rolled on December 3, with a high game of 185 pins. Eleanor's Booteer, Treible again figures in the situation with a 496 match in this circuit, rolled on October 1.

High single game honors among the Stroud Ladies belongs to Sara Williams who rocked the pins for a 205 count on October 14. Mary German rolled the second high single on October 29 when she came up with a one-game total wood performance of 201 pins. Janet Rodenbaugh rolled a 196 on September 17 and Fran Heckman came up with a 191 performance on October 1. An even closer check at the various tabulations reveal that Jean Treible, while rolling for Ballantines, is just about the best the ladies have to offer this season.

She rolled a high match of 570, the top score for a woman kegger in Monroe County this season, on October 6, on alleys one and two at Harmon's Recreation. Jean's high game during this match was a 243. She came right back on November 10 to roll three games of 560, on the same alleys, with a one game top score of 266. Mrs. Michaels is also among the upper strata with one match of 556 and another of 546. Eleanor rolled the 556 on October 20 on alleys three and four at Harmon's, with a 200 high game. On December 22 the Courtland Beverage kegger hit 546 on alleys five and six at Harmon's with a 218 high game.

Marie Bonser, Twin County Distributor, also rolled a 546 match on alleys five and six at Harmon's on November 24. In closing it might be good to point out that Chet Butler, probably the number one bowling authority in the Lehigh Valley, suffered a broken leg in a fall last week. Butler had bowled at Harmon's Recreation in a Delaware Valley League match only the previous Saturday. Everyone wishes Chet a speedy recovery.

Lake Harmony Uses Early Margin To Sink West End

Brodheads—Lake Harmony roared into a 20-point lead in the first period and coasted to a 93-56 Pocono Mountains Basketball League victory over West End last night, here on the Chestnut Hill High court. Lake Harmony, one of the stronger teams in the circuit, blasted its way into a 25-5 advantage after 10 minutes of play and was never in danger the remainder of the distance.

Getz Named President Of Baseball Loop

Saylorsburg—Clinton Getz, Lake Harmony, was returned to office as president of the Pocono Mountains Baseball League last night during the regular January meeting of the circuit here at Diamond Inn.

Getz was the overwhelming choice of the circuit and was named to the top office for the third straight year.

Three other officials were also reelected to another term of office. Harry Janson, Tannersville, was elected first vice president for a second term, while Clarence Smith, Kunkletown, was named second vice president, also for a second term. John Wernett was returned to office as secretary, an office the Saylorsburg resident has held since 1945.

M. N. Warner, league treasurer, doesn't come up for reelection for two years.

The circuit voted to field no more than 10 teams during the 1954 campaign. All clubs in the circuit last year got first chance at returning to the loop.

Stipulations
No team will be readmitted to the circuit unless all league fees and assessments have been settled and all outstanding bills paid. Distribution of league funds will not be made until each team has settled all bills standing against it.

Deadline for filing application for entry in the 1954 circuit is Monday, February 15, or the next meeting date. This meeting will be held at Mulligan's Hotel, Pocono Pines.

Getz announced that he would appoint a commissioner, counselor and umpire-in-chief on or before the next meeting date.

All teams in the league were represented at last night's meeting with the exception of Analomink and Bushkill.

Leonard Renaldo, president of the Blue Mountain Umpires Association, spoke briefly to the group. Renaldo was accompanied by "Ducky" DeFrank, well known umpire.

A meeting of the by-laws committee, composed only of league officials this year, will be held at the Lake Harmony Hotel on Sunday, February 7. All team managers are invited to attend this meeting.

John Donini served refreshments following last night's meeting.

Grand Theater Bows To Hackettstown

Slow First Period Hurts Eastburg Five

Hackettstown — Hackettstown kept its championship hopes alive in the Blue Mountain Basketball League here last night by scoring a 66-60 decision over the Grand Theater.

Grand Theater threw a real scare into the number three team in the present standings, but Hackettstown used strong first and third stanzas to turn the tide of battle against the quintet from East Stroudsburg.

Hackettstown led at the end of the first quarter, 19-12, but the Grand Theater five came back to reduce its deficit by four points in the second quarter. The visiting quintet held a 14-10 scoring edge in the second period, but trailed 20-26 at the halfway mark.

Both clubs hit their scoring peak in the third round, but Hackettstown had the better of a 25-20 session and led 54-46 going into the home stretch.

Late Spurt
East Stroudsburg's representatives outscored Hackettstown in the last period, 14-12, but the two-point advantage wasn't enough to turn the tide of battle.

Ray Steele and Harold "Hair" Staples paced the Grand Theater attack with 18 points each. Hart and Applegate were the big guns in a winning cause with 14 and 13 tallies respectively.

The Grand Theater returns to action on Thursday, when league leading Weston makes its first appearance on the East Stroudsburg High School court.

Alleys five and six—Coon Hunters vs. Busters.

Stroudsburg Entertains Northampton Cage Machine In Lehigh Valley League Encounter

Stroudsburg High, loser of three heart breaking Lehigh Valley basketball games this season, will attempt to notch its second favorable verdict today, when the Mountaineers play host to Northampton, on the W. Main St. Court.

The preliminary encounter, featuring the junior varsity cage machines of the two schools, will tangle at 6:45 p. m., while the varsity squads clash at approximately 8:15 p. m.

The Mountaineers have dropped three tough battles with Lehigh, Whitehall and Slatington, the margin never being more

than four points. The lone victory was a two-point verdict over Catasauqua.

Coach John Kupiec announced last night that he would start the same lineup that has carried the bulk of the load thus far this season. This means that Dave Nevil and Don Diebler will be at the forward spots and Dick Little at center. Captain Karl Weingartner and Don Garaventi will man the guard posts.

Doug Shook, Bill Carson and Francis "Sonny" Dieber, the latter recently promoted from the junior varsity contingent, are al-

most certain to see action for the host five.

The Mountaineers ran through a stiff workout yesterday and are reportedly in good mental and physical condition for tonight's clash.

In non-league outings Stroudsburg has a two-and-two mark, having won over Phillipsburg and the Alumni and losing to Allentown and Scranton Central.

Stroudsburg is scheduled to resume its Lehigh Valley League cage wars on Friday, with Palmerton supplying the opposition at Palmerton.

Gray's Quintet Wins Over Pharmacy

Tannersville — Gray's Chevrolet remained deadlocked with Johnson's Diner for first place in the Pocono Mountains Basketball League last night by defeating Williams Pharmacy in the second half of a doubleheader here at Pocono High, 80-58.

A drastic second quarter turned the Pharmacy victory hopes into defeat. The visiting five was held

The automotive dealers also scored 21 points in the first period, while holding the Pharmacy five to 19. Gray's club led at halftime, 42-21.

Action in the second half was on an even keel, but the damage had been done and the Williams crew never seriously threatened to change the tide of events.

Gray's five held a 22-18 advantage in the third round, while the visiting quintet had the better of the scoring in the final stanza, 29-16.

Nevil Among Point Leaders

Dave Nevil, Stroudsburg High School's high scoring forward, is listed as number four in the Lehigh Valley League point production race. Nevil has scored 67 points in four league games for an average of 16.75 tallies a contest.

Nevil has accounted for 20 field goals and 27 foul conversions.

Top Man
Rollie Houseknecht, Emmaus star, is currently pacing the circuit with 90 points, for an average of 22.50 per contest. Don German, Whitehall, is next in line with 88 points or 22 per contest.

No member of the East Stroudsburg High quintet is among the scoring leaders in the Lehigh-Northampton League.

Brad Roth, Parkland, is tops in the circuit with 120 points in six outings, for an average of 20 tallies a game.

Bangor is also without representation in the first 10 scorers.

Tuesday Night League To Roll

Tuesday Night League bowling action will take place at the George N. Kemp American Legion Post alleys today. Schedule follows: 6:45 P. M.

Coolbaugh Battles Barrett For Lead In County League

Crucial game number one of the current Monroe County Basketball League flag race will take place today when Coolbaugh and Barrett put their undefeated records on the line on the latter's home hardwood.

The two long-time foes have perfect marks of two wins and no defeats going into today's action. Coolbaugh has defeated Tobyhanna Township and Pocono, while Barrett holds nods over Chestnut Hill and Polk. The winner of tonight's clash will take over undisputed possession of first place, at least for the present time.

Other games tonight will pit Pocono against Tobyhanna Township, at Pocono Pines, while Polk and Chestnut Hill clash on the latter's home boards in Brodheads. Chestnut Hill has won two games and Pocono one, while TTHS and Polk are still searching for win number one.

In all cases the junior varsity clash gets under way at 7:15 p. m. and the main event approximately one hour later.

Johnson's Diner Trips Miller Quintet With Two Big Periods

Tannersville—Johnson's Diner clung to its portion of first place in the Pocono Mountains Basketball League last night with a 63-45 victory over I. B. Miller Builders in the first half of a doubleheader here on the Pocono High court.

One of the largest crowds of the season saw Johnson's club hang up a big margin in the second period and then protect the lead with a strong finish in the last quarter.

Sharon "Oit" Peechatka, George Hartshorn, Harry Warner and Dayton Frantz paced the Diner cagers into a 17-16 lead at the end of the first period and into a 36-23 advantage at the halfway mark.

The Miller men came right back in the third quarter to threaten the front runners, 45-42, with a 19-9 bulge in the scoring, but the host quintet protected its lead and made certain of victory with an 18-12 edge in the point production during the last 10 minutes of action.

Peechatka led the winning attack with 19 points, but Bob Miller, former Tobyhanna Township High star, won the game's high scoring honors with 26 points in a losing cause. Miller creased the net for nine field goals and eight charity shot conversions.

Famous Athletic Figure To Speak To Kiwanis

Bennie Borgman, baseball scout for the St. Louis Cardinals and basketball coach at Muhlenberg, will speak to the Kiwanis Club tomorrow at the Penn-Stroud Hotel, at the organization's regular noon meeting.

Borgman, now in his fifth year as basketball coach at Muhlenberg, played on four world championship basketball teams and in more than 2,500 court games. In baseball, he moved from the playing ranks directly into the role of manager, scout and developer of young players.

Bill Pensyl

Portland Cager Among Top Point Makers

Portland — Stroudsburg Poconos and Grand Theater are without representation among the top 10 scorers in the Blue Mountain League, according to figures released here yesterday by Bill Pensyl, secretary-treasurer of the circuit.

Henry "Hank" Stetler, Harvey "Hotsey" Bergman and Jim Frailey all members of the Poconos, have dropped from positions among the top 10 point producers they held last week.

Weston's Parnell still tops the heap by a comfortable margin with 165 points. In eight games Parnell has scored 65 field goals and converted 35 foul shots.

John Kelley, Portland, appears among the select group for the first time. Kelly, ranked 10th, has tallied 47 field goals and 15 foul shots, good for 108 points, in 10 games.

Scoring follows:
Parnell, Weston 8 65 165
Kriegsasser, Nazareth 9 26 131
Dickson, Belvidere 9 30 132

Stetler Scores Total Of 41 Points

Belvidere —Henry "Hank" Stetler rattled 41 points through the hoops last night as the Stroudsburg Poconos battled to a thrilling 85-82 Blue Mountain League basketball victory over Belvidere, here on the latter's home court.

Stetler's performance, possibly an individual scoring record in the league, was needed badly as the Poconos just managed to outlast

the improved Belvidere contingent. Stroudsburg's forward dunked 19 field goals and came up with three conversions from the foul line.

Belvidere made it tough for the Poconos from start to finish, as the two clubs tied at 19-19 at the end of the first period. The host team held a six-point advantage at the halfway mark, 45-39.

The home quintet had the better of the point production in the second quarter, 26-20.

Stroudsburg fought back on an even footing with Belvidere in the third stanza by dominating the scoring, 24-18. The two teams were all even entering the fourth quarter, 63-63.

Stetler put on a brilliant demonstration of shooting in the last quarter and led his matches to 22 points, while Belvidere was held to 19. Stetler came up with 12 of the winning team's 22 markers in the final round.

Decision held the high scoring role for Belvidere with 30 markers.

The victory enabled the Poconos to remain virtually tied with Weston for first place in the standings. The Poconos play Hackettstown at Stroudsburg High tomorrow, at 8 p. m.

DeMarco Wins Over Wilson

Boston (AP) — Tough Tony DeMarco scored his ninth straight triumph in a campaign for national recognition in the welterweight boxing ranks last night with an unanimous 10-round decision over fellow Bostonian Wilbur Wilson in Boston Garden. DeMarco weighed 143 1/2, Wilson 145.

DeMarco, winner over Paddy DeMarco and Teddy "Red Top" Davis in his last two bouts, had to protect a bad eye cut for the last five rounds to win.

Desperate
Wilson, who has lost only to Danny "Bang Bang" Womier of Chicago in five nationally televised matches, tried desperately to pull out a technical knockout verdict by chopping away furiously at the cut above DeMarco's left eye.

DeMarco, counter-punching expertly against the walk-in style of the busy Wilson, had a wide margin in points, but Massachusetts Boxing Commission physician Dr. Nicholas King kept a close watch on the cut which was dangerously close to DeMarco's eye.

Bushkill Club To Hold Meeting

Bushkill — A meeting of the Bushkill entry in the Pocono Mountains Baseball League will take place here at "Riek" DePue's Restaurant tomorrow, at 7:30 p. m.

Election
All members of last year's team are asked to be present so that a manager and officer can be elected for the coming campaign.

Life of Riley

By JIM RILEY
Sports Editor

Good news for local basketball fans came off of Normal Hill yesterday, when it was revealed that Jack Newell and Frank Stull had been promoted to the East Stroudsburg State Teachers College varsity basketball team and will be eligible to play against Wilkes College on Wednesday, January 27. Newell will be remembered as a former Stroudsburg High star, who has been playing on the ESSTC junior varsity thus far this season. Jack originally enrolled at Penn State, but transferred to ESSTC last January and wasn't eligible for varsity sports until the present time.

Stull, towering center who formerly starred with Wilson Borough High, in the Lehigh-Northampton League, will give the Warriors a big man they need so badly. Stull is approximately six feet, seven inches tall. Frank has been unable to take part in sports since his junior year in high school because of illness, but apparently is in good health once again and ready for action. Newell, one of the men behind summer basketball in this area last season, and Stull will put on varsity uniforms, while Bob Mellman hangs his suit up for keeps.

Bob, well known in area baseball circles, graduates from college on Thursday. Newell and Stull may give the Warriors more of a scoring punch than they have been able to show thus far this season. Oscar J. Liljenstein, athletic director at ESSTC, is currently resting at the Monroe County General Hospital following surgery. Everyone wishes the veteran sports figure a speedy recovery. ESSTC is currently in the midst of examinations and there is no basketball practice in the new gymnasium.

It is possible and quite probable that the Monroe County League will resume soccer next fall after a long lapse. Howard Miller, a member of the Stroudsburg High basketball team, attends a special mechanics class one night each week. A total of 68 fouls were called during last week's junior varsity basketball clash between Pocono and Chestnut Hill high schools. The bus carrying Stroudsburg High's cage machine froze up at Saylorsburg on the way back from Whitehall last Wednesday.

Officials of the Pocono Mountains Basketball League would like to bring an All-Star team or even one of its regular clubs to Stroudsburg or East Stroudsburg to meet a similar club from one of the boroughs. Proceeds from the special attraction would go to the Basketball Hall of Fame, currently in the planning stage. The Hall of Fame, according to plans, will be constructed at Springfield, Mass., birthplace of the court sport.

The Pocono Mountains League would like to do its share in making such a shrine possible. Baseball's Hall of Fame is a well founded organization and football is currently hard at work building its own shrine. Basketball is now launching a similar drive and needs all the financial help possible. Dick "Pickie" Hintze, out of action for several weeks with a broken thumb, may return to the Stroudsburg High varsity on Friday night, at Palmerton.

We now have temperamental junior varsity basketball players. Time was when a player couldn't become temperamental until he earned a position on the varsity. It is true that one of the better basketball players in Monroe County is also a real artist at building snow men? It certainly was great to see Walt Polinsky, one of the all time baseball favorites in this area, at last Wednesday's meeting of the St. Matthew's Holy Name Society. Walt, who formerly roamed the outfield for the Stroudsburg Poconos, of the North Atlantic League, was on hand to hear Eddie Yost, of the Washington Senators, speak.

Polinsky recently recovered from a bad fall while at work

Nazareth Provides Opposition As Cavaliers Search For Third Favorable League Verdict

East Stroudsburg High School will take part in its second straight Lehigh-Northampton League basketball outing on the N. Courtland St. court tonight, when the Cavaliers play host to Nazareth, a team that has shown surprising power at times this season.

Action in the junior varsity contest is slated to get under way at 6:30 p. m., while the main event will probably get under way at approximately 8 p. m.

East Stroudsburg is currently coasting along with a circuit record of two wins and four defeats, exactly the same mark Nazareth will carry as it enters the Eastburg gymnasium. The Cavaliers and Blue Eagles are currently tied for fourth place in the standings with Bangor.

The Cavaliers have taken the measure of Bangor and Pen Arty, while dropping circuit outings to Parkland, Wilson Borough, Conlay and Fountain Hill.

Coach Dick Forster's starting lineup will probably carry a familiar flavor, as Co-captains Joe

Chase and Don Herman open the game at the forward spots, while Bill Pensyl operates at center. Bob "Red" Kapiszewski will answer the starting whistle at one guard spot, while Harold White will probably start at the other guard position, although Paul Turner is a possibility at the latter spot.

Jerome Young and Barry Lambert are almost certain to see action during the contest.

One of the Nazareth victories is over Fountain Hill, a team that took the measure of East Stroudsburg, while the Cavaliers hold a decision over Bangor, a quintet that defeated Fountain Hill earlier in the campaign.

In addition to league action, the Cavaliers hold victories over Emmaus, Lehighton and Phillipsburg, while suffering setbacks at the hands of the Alumni and Slatington. Overall the Forstermen have won five of 11 games this season.

On Friday East Stroudsburg plays at Hellertown, as the first half of the current Lehigh-Northampton League season passes into history.

Greene-Dreher Battles Milford In Exhibition

Newfoundland—Greene-Dreher-Sterling, one of the powers in the Southern Division of the Wayne County Basketball Conference, steps out of circuit competition to play an exhibition encounter with Milford High, on the Greene-Dreher court.

The junior varsity meeting of the two schools is slated for 7:15 p. m., while the varsity clash will probably get underway approximately one hour later.

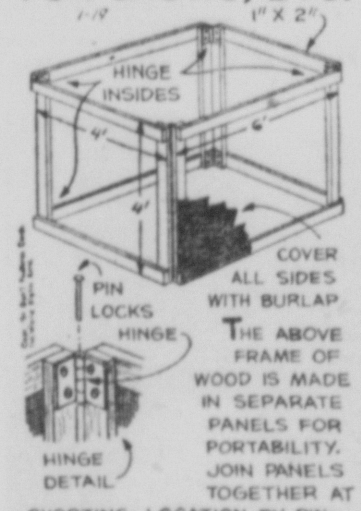

Pennant Fight

Greene-Dreher lost its initial league outing against Waymart, but bounced right back to down Moscow and Lake Township in order to fight its way into the thick of the pennant fight.

The Stags, coached by Henry "Hank" Arneberg, will probably answer the starting whistle with Henry "Hank" Olsson and Tom Klepadlo at the forward posts. Bob Lapcho will handle the center chores, while Captain Bob Cron and Don Heberling operate at the guard posts.

Bangor Entertains Hellertown In Circuit Basketball Clash

Bangor—Bangor High will attempt to improve its current standing in the Lehigh-Northampton League today, when the basketball charges of Coach John Heard battle Hellertown, on the Bangor hardwood.

The junior varsity encounter featuring the two schools will get under way at 6:30 p. m., while the varsity contingents come to blows at approximately 8 p. m.

Records

Bangor, currently in a three-way tie with East Stroudsburg and Nazareth for fourth place, has won two of six circuit outings thus far this season.

Heard is expected to name Gary Wynne and Don Keat as Bangor's starting forwards against Hellertown, while George Voorhees is listed for center. Wayne Pysker and Rodney Miller will handle the guard duties.

Pierce Signs Contract

Chicago (AP)—Billy Pierce signed his 1954 contract yesterday and general manager Frank Lane of the Chicago White Sox said the lefty "becomes one of the highest paid pitchers in the club's history." The terms were not disclosed, however.

Struggle Between World Revolution And Communism Seen By Church Executive

Buck Hill Falls—In almost every one of the forty nations or colonies in which the Methodist Church carries on missionary activity, some phase of the world's social-economic-political revolution is going on, Rev. Eugene L. Smith, Ph.D., general executive secretary of the Division of World Missions, told the denomination's Board of Missions opening its annual sessions here last night.

VFW To Seek Memorial In Washington

Legislation to allow for erection of a Veterans of Foreign Wars memorial and office building in the Nation's Capital will be introduced this week in Congress.

The proposal will be brought to the attention of Congress by Rep. James F. Van Zandt (R-Pa.), Elmer D. Christine, Stroudsburg, State VFW commander, announced.

Rep. Van Zandt, a resident of Altoona and three-time national commander of the veterans organization, will seek Congressional approval for the erection of the five-story structure at an estimated cost of \$750,000.

The building, which would be completed in two years, is designed to house the organization's national legislative, rehabilitation and public relations offices, Christine said.

The VFW headquarters will remain at Kansas City, Mo., the state commander added.

Congregation Holds Election Of Officers

The 116th annual congregation meeting of the Evangelical United Brethren congregation was held in their Kookke Chapel, Paradise Valley, recently for election of officers and reorganization.

Rev. Charles F. Spangenberg, pastor, conducted the meeting. Miss Lula Henry acted as secretary. Mrs. Lottie Spangenberg and Miss Winifred Gill were tellers.

Brief devotional services were conducted by Mrs. George P. Koerner.

George Bogert and George P. Koerner were elected trustees for three-year terms. Other trustees are Miss Lula Henry, William Henry and L. B. Flory of Stroudsburg.

Mrs. Edwin Beseker was elected organist and musical director. Reports from the various church treasuries showed the congregation had a prosperous year.

Rev. Spangenberg nominated Mrs. Mabel Niering, Mrs. Edwin Beseker and Miss Winifred Gill as a welcoming and outlook committee. They were elected. This group will augment and assist the pastor's work in interesting newcomers to the parish, including many summer guests.

Following were approved as usher:

Harry Niering, Jr., Oliver Van Baskirk, Jr., Gary Smith, Roland Smith, Leonard Rinaldi, George P. Koerner, Clyde Cramer, Guy Healey.

These Sunday school officers were elected:

George P. Koerner, superintendent; William Henry, assistant; Miss Eileen Henry, secretary; Miss Margaret Bogert, treasurer; Miss Lula Henry, superintendent children's department.

Teachers appointed were:

Miss M. Bogert, Miss Ruth Henry, Miss Lula Henry, Jacob Knauf, Mrs. Harold Heydt, L. B. Flory. Mrs. Heydt was also named superintendent of the home department; Mrs. Harry Niering, cradle roll superintendent; Miss Mary Bogert, Sunday school pianist.

Ladies attending entertained the men at a social tea in social rooms of the church.

Rev. Spangenberg named the following to a committee which will audit books of treasurers of all church groups: Mrs. Ed Beseker, Miss Ruth Henry, Miss Eileen Henry, Miss Margaret Bogert, L. B. Flory.

The newly elected members of the vestry of St. John's Evangelical Lutheran Church were inducted during the morning service Sunday by Rev. Dr. P. N. Wohlsen, pastor.

They are Charles A. Keiper, re-elected trustee for three years; Howard L. Keiper Jr., deacon two years, filling the unexpired term of G. Alvin Shook, deceased, and Floyd E. Fetherman, Edward R. Shook and Charles C. Widmer, deacons for three-year terms.

At the conclusion of the regular service, the board met and reorganized for the coming year by reelecting A. F. Everitt vice president; Keiper financial secretary; Alfred W. Munson, secretary; Keiper assistant secretary and Fetherman treasurer.

Women Named To Conduct Polio March

Delaware Water Gap—The local chairman of the Mothers March on Polio has announced the list of workers who are authorized to receive contributions the night of Jan. 26.

They are Mrs. Orien Lambert, Mrs. Robert Clarkson, Mrs. Russell Buzzard, Mrs. Raymond Jagers Jr., Mrs. Otto Gehm, Miss Eleanor Kulp, Mrs. John Jennings Jr., Mrs. A. D. Davis, Mrs. Layton Hauser, Mrs. Clifford Hauser, Mrs. Ned Cyphers, Mrs. John Mitchell, Frank Howard, Graydon Jennings and Don Kitchen.

There is one worker yet to be appointed to complete the workers for the 15 sections into which the borough has been divided.

pressure of propaganda, of demand for fateful military and political decisions lay almost incomprehensible burdens upon people: Yugoslavia, Burma, Hong Kong, Formosa, Japan.

"India and Indonesia are both deeply distrustful of the West, but increasingly disillusioned with Communism. Malaya and Africa remain the last of the great colonial areas, both deeply involved in the power struggle of the two worlds. Sweden, Norway, Denmark, Belgium, Switzerland, and the Latin American countries face less peril from immediate aggression or subversion; more peril from complacency and ease."

Dr. John L. Rumsey will be out of town Jan. 16 to 31, inclusive.—Adv.
